

Our Privacy Policy

Our Personal Information Privacy Policy covers :

- Why we need a privacy Policy
- Why we might require any Personal information.
- What this personal information is used for.
- Maintaining Your Email Privacy
- Cookies and log files

Why do we need a privacy Policy?

This Privacy Policy attempts to explain why and how we collect, store and use the personal information submitted on this website .

We want to assure you that your information is safe with our company, and that any personal information we collect from you is used for our internal purposes ONLY and used ONLY to communicate with you and fulfill your requests for services or products. Furthermore, we will never ask you for a credit card number to use this website. You can purchase products and services from us online using the secure third party PayPal website.

Why does Click solutions need any Personal information in the first place?

For purposes of this policy, "personal information " means any

information concerning a natural person which, because of name, number, symbol, mark, or other identifier, can be used to identify that natural person.

- If you wish to receive our newsletters we will need your email address. (we also have an RSS feed)
- To use some services or features of this website we will need your name and email during the free registration process..
- To conduct questionnaires and surveys in order to provide better products and services to our customers and end users. Your completion of any questionnaires is voluntary.
- To provide customer feedback and support through email forms or polls.
- When purchasing products or services from us, more details are required in order to contact you such as address or fax number, or any other information we require to visit your location to perform computer system installations, computer repairs, or maintenance on your computer systems or network.
- Your IP number, the unique number that identifies your computer, is tracked and logged for the sole purpose of website information security, preventing fraud, stopping abuse of the website, and to locate and block hackers.
- In the event that you enter a contest on this website, we may need information to allow for winner notification, prize delivery confirmation or other related purposes.
- In the event you become an affiliate, we will ask for the information required by the affiliate program.
- In the event that you apply for a job posting, the information from your resume will be used solely for the purposes of evaluating your candidacy for employment and contacting you regarding it.
- To provide the ability to create personal profile areas and view protected content.
- To provide access for participation in discussion groups
- To allow you to forward information to another individual such as a friend or co-worker.

Email Privacy

- We will never sell, rent or otherwise publish or distribute your email address to any third party. Ever.
- Your email address will NEVER appear on this website pages for email harvesters to steal. Contact forms are used to disguise your email. Sometimes an email may be presented in the form of an image.
- Registered users have control of their email in the user control panel.
- Once we have your email address, we reserve the right to use it to offer you newsletters, email communications, and communications for the promotion and marketing of our own product or services only, and never third party offers.
- We will never supply your email or any other information to a third party for marketing purposes as we do not use or disclose personal information for purposes other than those for which it was collected,

Cookies and log files

-
Like the information you enter at registration or in your Profile, cookie and log file data is used to customize your experience on the web site, and for website security and maintenance purposes. We may collect information from you in different areas on the website, including but not limited to those described below:

-
Cookies
are used to help us track usage patterns in order to improve or manage our site, to ensure the integrity of the registration process, and to help provide personalized service and deliver content specific to your interests, as well as maintain control over who has what access to what services, information and website features.

-
We mainly use cookies to help identify you and maintain our signed-in status. We offer certain features that are available only through the use of cookies. You may find there are parts of the site which you cannot access if your cookies are turned off. (For some web pages that require an authorization, cookies are not optional. Please be aware that if you disable cookies, many services on our websites will not be available to you.

In Conclusion:

-
If you are not satisfied with our response to your privacy-related concerns, please contact us. We encourage you to read this privacy policy to ensure you understand our privacy practices.

-
Although we work very hard to protect your privacy, we cannot guarantee, and you should not expect, that your personal information or private communications be always 100% private on the Internet. This applies to any site on the Internet, not only ours.

We recommend that you to take every precaution in protecting your personal information when you are on the Internet. For example, change your passwords often, use a combination of letters and numbers when creating passwords, and make sure you use a secure browser.
